A DISCUSSION ENSUED (Potter, et All)

Regarding vision screenings in the future, and was determined to move forward with 3rd and 6th graders (as possible) in the Walton County School System.

A DISCUSSION ENSUED (Dempsey, et All)

Regarding further ideas for service- support of the Recovery Resource Center, ways to be seen in the community, and opportunities to integrate our Club into the fabric of the city via signage, participation in events, and service to the community. It was suggested that we might expand outside of limited vision screenings and determine what needs exist in the community and find ways to meet them. President-Elect Harmon stated that she would use these ideas to create ongoing work plans throughout the upcoming year, based on this input.
